# ONE

**One.** Flexible workplace design.

**One** is the newest furniture program with its own identity and several height adjustment version suites for different types of workplaces which satisfies ergonomic needs in the changing office environment.

Manual desk height adjustment:

H = 620 mm - 850 mm

Electrical desk height adjustment:

H = 705 mm - 1195 mm

# LIGHT

**Light.** Less is more.

Minimalistic design of **Light** creates harmony and an overall sense of unity in different types of environments. The system consists of single desks, duo-tables and benches, including partitions and a complete cable management system.

# LIGHT

storage

The desk system **Light** provides support for the wide variety of tasks of the dynamic business world with an impressive range of solutions – suitable for every type of office.

In addition to the desks, **Light** also offers its own storage – side and free standing cabinets that provide personal space, liven up the office and meet the needs of a modern company.

# PLANA

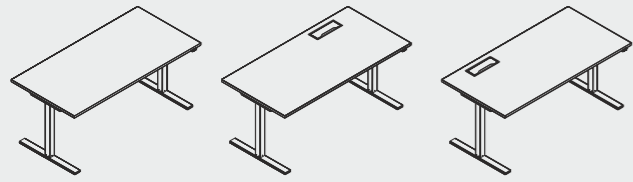

**PLANA.** Executive office design by Roberto Lucci and Paolo Pampanoni.

**PLANA** is a clean, selective collection. Straight lines, squared shapes, different thicknesses, warm, refined materials and finishings. An essential design approach that meets all aesthetic and functional choices.
